Reception Phonics

An important aspect of phonics is revisiting sounds and words already learnt. Each day before or after the recorded lesson, it is important to recap on what the children have already learnt. All these sounds and words have been learnt in the Autumn term. We will be introducing the new sounds and words in the videos and I will add them to the next slides. I know it's difficult to see on here so if you don't already have copies, writing them down and cutting them out could be easier for the children to see them.

Reception Phonics

Today's sound

This week's High Frequency and Tricky Words

Today's recorded lesson

[Reception's recorded phonics lesson 11.01.21](#)

Today's game - <https://www.phonicsplay.co.uk/resources/phase/3/buried-treasure>
(Click on today's sound and play the game using j words.)

Monday 11th January 2021

Nursery Phonics

Today's game is 'I-Spy'. Watch the video and join in. Ed Ted wanted to join in too.

Literacy

Listen to the story by clicking on the link.

[Jack Frost by Kazuno Kohara](#)

Discuss the story. There are some suggested questions below.

What does hibernating mean? What are the patterns on the windows? Why did the little use his ice skates? Did you go sledging? Why would Jack Frost have to leave when it gets warm? Why did Jack Frost disappear? When will the boy see Jack Frost again? How do you know and why?

Reception Maths

[White Rose Maths - Alive in 5! Week 1, lesson 1](#)

Click on the link above to access Lesson 1 for this week.

#MathsEveryoneCan

Sing a rhyme that counts back from 5
Can you see the one less pattern?
It would be great if you could use some props from around your house to act out the rhyme as you sing.

Can you make up your own counting back rhyme to sing?

White Rose Maths

Monday 11th January 2021

Nursery Maths

5 Currant Buns

Join in with the video and sing the song.

Can you find 5 off the same things around your house? Eg, dolls or cars or balls or spoons.

Once you've got them, can you count them. Make sure you are saying 1 number name for each item. Remember to use your magic counting finger.

Monday 11th January 2021

Expressive Arts and Design

Can you make a snowflake.

Show how to fold the circle into a triangle then make a snowflake.

Can you decorate it?

[Snowflake instructions](#)

This is great for developing your cutting skills and making your fingers big and strong.
