Today's sound

This week's High Frequency and Tricky Words

Today's recorded lesson

[Phonics lesson - 25.01.21](#)

Today's game - is on the video. If you want to play some Phonics Play games please feel free. <https://www.phonicsplay.co.uk/resources>

Monday 25th January 2021

Nursery Phonics

Today, we are going to be looking at a new aspect. It is aspect 6 'Voice Sounds'. It is going to be so much fun!

We are going to be making different sounds with our voices.

- Make your voice go down a slide – wheee!
- Make your voice bounce like a ball – boing, boing
- Sound really disappointed – oh
- Hiss like a snake – ssssss
- Keep everyone quiet – shshshsh
- Gently moo like a cow – mmmoooo
- Look astonished – oooooo!
- Be a steam train – chchchchch
- Buzz like a bumble bee – zzzzzzz
- Be a clock – tick tock.

Monday 25th January 2021

Watch today's lesson with Miss Waddicor She has found a very interesting looking box!

Listen to the clues. What do you think is in the box?

[What's in the box](#)

Reception Maths

Click on the link below to access the maths lesson for today. We are comparing mass and using the language heavier than and lighter than.

[Session 1 - Comparing mass - heavier and lighter than](#)

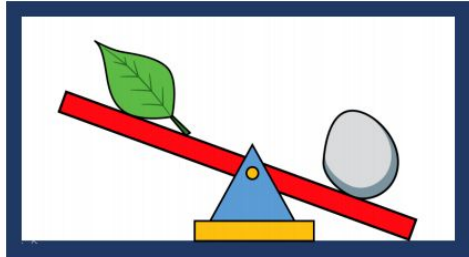

You don't have to use a set of balance scales, you can use your hands to feel which is heavier/lighter. Or if you want to, you can make balance scales out of a coat hanger, some string/shoelaces and some cups/buckets/bags (see picture).

Extension - Predict which one will be heaviest/lightest before testing it. Can you record your finding using pictures?

#MathsEveryoneCan

Explore what happens when you put different objects on the balance scales.
What do you notice? Which objects make the scales tip?

Key vocabulary
heavy
light
heavier than
lighter than

If you don't have a set of balance scales, try placing an object on each hand to see which feels heavier.

White Rose Maths

Monday 25th January 2021

Nursery Maths

5 little monkeys.

Click on the link below to listen to the counting song 5 little monkeys.

With your child encourage them to use their fingers to show you how many monkeys are in the tree. Talk about how the number of monkeys gets smaller each time- there is 1 less.

[5 little monkeys counting song](#)

Use number cards to show how many monkeys are left and check by counting.

Expressive Art and Design

Our new book for Literacy this week is called Penguin. Do you know where penguins live?

Can you draw or make the habitat that a penguin lives in?

You can get creative and use a shoe box and cotton wool to make the environment.

You could use real ice and have a play with the environment you have created.

You can use pencil crayons to create a polar environment picture for the penguins to live in.
